---

Rev. Tim Rabbitt is a retired police detective with the Baltimore City Police Department. He is an ordained Bishop with the Church of God and currently pastors Rising Sun Church of God in Port Deposit, MD. He is also the founder and pastor of Blue Church, which is a Facebook ministry to law enforcement active, retired and their families and those who support law enforcement.

Pastor Rabbit is a true servant of the Lord with a passion to reach people for Jesus and to encourage and lift up those who follow the Lord. He is the father of four children, and grandfather to six and lives with his wife, Stephanie, in Forest Hill, MD. I am confident he will inspire, encourage and preach the truth of God's word.
